Core Values

We want to treat everyone who comes through our doors like Jacob and Cecilia. They were the first students to enroll at the Sycamore Center, Inc. We were passionate about them, their families, and their individual needs, education and safety. As well as assuring them the most devoted, educated and caring staff, we will strive to remember and achieve that level of dedication by following these core values:

Christ → families → community → world

Happiness at all costs - we tend to seek happiness, when happiness is actually a choice

Involve everyone..equally

Learning, Laughter and Love

Dare to dream - It'll cost nothing to dream and everything not to

Retain the highest standard of care and curriculum

Error on the side of generosity

Nurture growth in our students, staff and families

Have fun!

We are a state certified, Christian daycare and preschool. We have attained a Keystone STAR 3 status. We are members of NAEYC and PACCA and we are involved in the Hermitage, Sharon and Farrell Early Childhood councils and the Child Care Action Team.

REALTOR®

724-981-9771

As a lifelong resident of the Shenango Valley, I'm so grateful to live in a town where people still care about people - Trust is a key factor and a sale is not about who represents whom, but about putting buyers in the right home for them and helping sellers find a caring buyer for their property. Real Estate is a people business - your single largest investment, and I'm so proud to be a part of making your dreams come true.

Thanks again,
